OBITUARY

Laurell Elizabeth ‘Liz’ Tucker

Laurell Elizabeth “Liz” Tucker, age 84, passed away peacefully at home on June 1, 2021. She was a wonderful, devoted mother; loving companion; and very special person to her family and friends.

She was born March 5, 1937 to Everett E. Brown and Rosa Lee Lay Brown. She was the sixth of eight children. Liz is survived by Mark Johnson, Carrie Power (Ken), Carlene Denton-Roach, Katherine Willis (Roy), Nathan Cotts (Sherrie), sister Julann McPherson, 11 grandchildren and 14 great-grandchildren. She was preceded in death by her parents and siblings, Frances Bedlion, Everett L. Brown, Donald Brown, Novella Bedlion, Charlotte Pratt, Sandra Brown, and grandson, Blaine Sewell.

Liz was saved at an early age and always loved her

Lord and Savior Jesus Christ. She was a loving, kind, and strong woman who led an active and full life. A high priority in Liz’s life was to please the Lord and share His good news with all she met.

After graduating from Ray High School in 1955 at Ray, Arizona, she married Grant E. Denton. They had three beautiful daughters: Carrie E. Denton Power, Carlene R. Denton-Roach, and Katherine I. Denton Willis. This chapter of her life was very busy raising three daughters and caring for her cowboy husband. She embraced the rodeo life with her family and even learned to barrel race.

In the next chapter of life Liz married Paul D. Cotts. They had Nathan Everett Cotts, and she was step-mother to Kenny, Brian, and Donnie Cotts. Life was busy with seven children at home.

Liz worked hard and accomplished much in her life. At one point she even balanced three jobs: guard at the Arizona State Prison, cook at the General Kearny Inn, and operator of a vending machine route at the Ray Mine. Liz was an active business member in the Copper Basin Community operating a flower shop and an antique shop. She ultimately established herself as a Realtor, Broker, and owner of Dynasphere Realty.

Family, friends, and others whose lives Liz touched are invited to the Living Word Chapel, 402 Danbury Rd., Kearny, AZ 85137 on Tuesday, June 8, 2021 at 9:30 a.m. followed by a short graveside service. A luncheon will be provided for everyone at the Kearny Senior Center to reminisce, grieve, support each other and, of course, just chat.

Liz then lead quite an adventurous life as wife of George M. “Karo” Tucker. Karo’s work took them to Paraguay where the couple explored Iguazu Falls. They also backpacked through the breath-taking Sierra Nevada’s with young Nathan in tow. This was one of her favorite adventures.

Later Liz completed her Associates Degree at Central Arizona College Aravaipa taking construction classes from the late Glen Johnson. At this time, she met Mark L. Johnson and the two have been constant companions for the past 27 years, traveling through Europe and enjoying many other explorations. Together the two raised Placer C. Brady-Sewell, Paxton M. Brady-Sewell, Joshua Brady-Sewell. She called Mark her “Angel” and “True Love”.

LETTERS TO THE EDITOR

Rep. Cook Protecting Local Budgets

In 1972, mayors from all over Arizona struck a deal with leaders at the State Capitol that helped our economy grow, kept taxes simple and helped create the strong cities and towns we have today. In that deal, approved by Arizona voters, cities agreed never to adopt a separate income, luxury or “sin” taxes and in exchange, the state would provide 15% of state income taxes with Arizona’s cities and towns. Today those funds account for a majority of our local public safety budgets; it’s a great deal for taxpayers and a great deal for public safety.

Unfortunately, the Governor and legislative leadership are now actively trying to break that deal with Arizona cities. Thankfully, we have State Representative David Cook representing us in the Arizona state legislature. He is one of a handful of brave legislators with enough courage to stand up to the power brokers at the State Capitol in Phoenix. Rep. Cook is forcefully speaking out about the destructive impact the proposed tax cut will have on our rural communities and he is fighting to protect us.

The tax cut proposal being advanced by the Governor and legislative leadership would reduce funding to local

governments by \$285 million annually, forever. Our respective municipalities’ annual losses and the corresponding percentage budget cuts are as follows: Casa Grande is \$3 million (-6.57%); Coolidge is \$650,000 (-6.89%); Eloy is \$964,807 (-8.10%); Florence is \$1.3 million (-11.57%); Globe is \$361,000 (-3.84%); Hayden is \$73,743 (-2.9%); Kearny is \$106,584 (-7.72%); Miami is \$87,509 (-6.6%); Queen Creek is \$2,501,861 (-5.4%); and Superior is \$156,237 (-6.27%). Simply put, our rural communities cannot absorb annual revenue reductions of this magnitude without impacting the delivery of critical services to our residents.

This state shared revenue is the fundamental backbone of local government funding and is critical if we are to maintain our current level of public safety protection and municipal services. Equally important, Rep. Cook joins us in supporting policies which address our water challenges here in Pinal County. Securing long-term sustainable water solutions will ultimately cost the state billions of dollars and this proposed tax cut risks our ability to attain water security. Considering Arizona’s water future and its pending costs, Rep. Cook is right to stand up and

fight a permanent tax cut valued at nearly \$20 billion over the next decade. Those are dollars the state will sorely need to fund future water solutions.

We wish to make it perfectly clear to all of our municipal residents: We stand with Rep. Cook in protecting our public safety budgets and bringing funding to Pinal County to help mitigate our state’s long term water shortage.

Sincerely, Mayors of Legislative District 8

Cook Fighting for Pinal, Gila Counties

Representative David Cook has always fought to protect the interests of the residents of Pinal and Gila counties, whether by securing resources to build roads or to develop water supplies, and we are very grateful to see his hard work to ensure that any tax reduction package passed by the legislature is designed so that the state remains on solid financial footing going into the future.

We have been watching the negotiations over the tax package with great interest since we became aware of the proposed \$1.5 billion income tax reduction plan. Though counties do not share in the state’s income tax revenues as cities do, we have a deep interest in the state’s structural financial stability.

History has shown that when the state has financial shortfalls, the legislature will readily access county tax dollars to help balance its books. For example, since 2008, the legislature addressed revenue deficits by passing laws that billed Gila County \$5.8 million and Pinal County \$27.8 million to support state agencies, which are obligations of the state general fund.

These were local tax dollars that would have been used for direct support to local constituents, road maintenance, or for creating the ability to lower local property tax rates. If the state goes too far in reducing its capability to meet its obligations, we fear the state will again turn to using county resources to balance the state budget.

Financial instability in state government is not good for our constituents and, simply, not good government. To be sure, current state revenues are significant as we come out of the pandemic. However, economists have cautioned that some of these revenues are attributable to the massive infusion of federal money into our economy. And, as Representative Cook has pointed out, the state still has substantial debt from the last recession, along with unmet capital and water development needs that must be addressed.

We are very concerned that in the legislature’s desire to do something “big and bold,” what will get lost is doing things right. Therefore, we applaud Representative Cook’s leadership to shape a tax package that strikes a wise balance--providing meaningful tax relief, reducing state debt, and ensuring the

state has the resources to meet its obligations to Arizonans into the future.

Sincerely,

/s/ Supervisor Steve Miller, Pinal County
/s/ Supervisor Tim Humphry, Gila County

Shop at Home: ARC-North Eastern Pinal County

In April 2020, COVID-19 brought much of Arizona’s economy to a screeching halt. All businesses not deemed “essential” were ordered closed by Arizona’s governor Doug Ducey. The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as “essential” had a challenge with this economic recovery. Many small businesses and non-profits in Arizona didn’t survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 66 businesses in the Copper Corridor. It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely

different twist to things. It’s even harder when you’re a non-profit serving a vulnerable part of the population. The ARC-NEPC is a non-profit that provides services to people with intellectual and developmental disabilities. The day program provides valuable services to the communities of Superior, Kearny, Hayden, Winkelman, Mammoth, San Manuel and Oracle. The day program is located in Kearny at 316 Alden Rd. The center is open Monday through Friday, 8 a.m. to 3 p.m. The program’s director, Frances Chavez explained what services are provided. “Our organization is a non-profit and funded through D.D.D. We provide work adjustment, to enable our members to work competitively in the community. We run a thrift store, yard crew and janitorial services. We also provide day treatment training services. This service provides activities, outings, training, therapies and counseling to our members. We promote skill development in independent living, self-care, communication and social relationships.” Why not shop local and support this great program? Visit the thrift store today.

Team Rubicon providing fire response operations in Dudleyville

Team Rubicon, a veteran-led global disaster response organization, starts fire response operations this coming week to support residents of Dudleyville due the recent wildfire. The operation begins on Monday, June 7, and is expected to last 2 weeks.

In coordination with the Pinal County Department of Emergency Management, approximately 40 Team Rubicon volunteers will provide tree and limb cutting, debris removal, as well as fire response cleaning services. In conjunction to assisting the community of Dudleyville, Team Rubicon is utilizing proficient heavy equipment operator skills to advance their nation-wide deployable efforts. The work will take place at residents and community grounds local in Pinal County.

“We are happy to be here to help the Dudleyville community, the community and Pinal County Emergency Management team have been wonderful to work with, we are excited to get to work,” said Matthew Watson, Team Rubicon’s incident commander for the operation. Similar organizations are responding alongside Team Rubicon, like Arizona Southern Baptist Disaster Relief, providing meals to the Greyshirts on the ground.
