AFGHANISTAN: A Soldier's Perspective

By Gary Michiel Montiel
Special to Copper Area News

Anyone who is old enough to remember the events of 9/11 and the vivid imagery and raw emotion that day instilled in our country understands the reason we invaded Afghanistan. We were attacked on our own soil and we were compelled to defend ourselves.

I was in Army basic training at Ft. Sill, Oklahoma when the reports started coming in at around 9 a.m. and the entire base was placed on lockdown. My entire platoon of around 60 people crammed into a tiny room and watched the television mortified

Copper Corridor communities to celebrate National Night Out Oct. 5; activities planned for Tri-Community

Together we are making communities safer, more caring places to live. This is our Nation’s 39th community building campaign- that promotes police community partnerships. National Night Out triumphs over a culture that isolates us from each other and allows us to rediscover our own communities.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide on the first Tuesday in August (Texas and Arizona and other select areas celebrate on the first Tuesday in October). Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.

The towns of Superior, Kearny, Mammoth, San Manuel and Oracle are holding their National Night Out on Oct. 5, 4-8 p.m. There will be food and beverages, local police (sheriff) and fire department demos, games, music, vendors, public service booths and prizes. All towns are in full support of honoring their local police and we know you are too. This event is geared towards discouraging drug and alcohol use in our children and giving them all the resources, they need to make healthy choices as they go through their adolescents and young adult lives.

These events will draw crowds from neighboring towns; as we grow and unite the Copper Corridor there

will be more need for the town’s resources as well as support from local businesses invested in seeing these towns succeed.

If you would like to be a Volunteer, Food Vendor, Business Vendor, Resource Booth, or bring an activity contact the event coordinator at your location.

Please come and join us for a fun night out and very worthwhile event, Oct. 5, 4-8 p.m. at the following locations:

Copper Corridor Communities Seeing Increase of COVID-19 Cases

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery story pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Aug. 17, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/ Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

Buckle up.

We’d hate to meet you by accident.

What’s the rush? We’ll be there when you really need us.

Local school district votes for mask mandate

Hayden-Winkelman Unified School District voted on Tuesday, Aug. 17, to require all students and staff to wear masks indoors. Superintendent Jeff Gregorich shared with the governing board that 50 students are on mandatory quarantine because of 6 positive student cases within the first 6 days of school.

"There is nothing more we can do now but try to reduce the amount of spread within our schools and community. The new COVID-19 variant spreads quickly and taking away the most effective mitigation strategy right now is nonsensical. Without the use of masks indoors, we do not have a fighting chance to protect our students and staff," added Gregorich.

Governor Ducey has threatened to take away COVID-dedicated federal funding to school districts that fail to adhere with the law he championed that prevents school districts and public entities from issuing mask mandates. The mask mandate restriction was placed onto the budget bill late in June at the last minute to get the

approval of several republican holdouts.

"I just don't understand how the Governor can take away money that was devoted to fighting Covid in our schools. It is a bit strange. I know all school districts are trying to stay open and following CDC recommendation seems logical and is based on science not the next election cycle," commented Gregorich.

There are other issues with the mask mandate restriction bill, mainly why was there no debate and why was it placed on a budget bill, especially when it did not have anything to do with the topic. Many feel it warranted a bill and name of its own, considering the importance of the legislation and the public interest during a pandemic. Regardless, the bill passed and now prevents school districts and other public entities from passing mask mandates or risk fines and breaking the law. Hayden-Winkelman Unified School District wasn't the first to pass the mask mandate and won't be the last, as schools

Voices in the Oaks Chorale is accepting new singers for the Fall 2021 Concert Season. All voice parts are welcome. If you like to sing with others, come join the Chorale. No experience is necessary.

Sponsored by the Oracle Piano Society, the Voices in the Oaks Chorale is a community chorus, made up of singers from Oracle, and the surrounding area. There is no audition, and while the ability to read music is helpful, it is not a requirement to be a member of the chorus.

Rehearsals are held every Thursday evening, beginning Sept. 9, 6-8 p.m. The Fall Concert will be presented on Saturday, Nov. 20 at 4 p.m. All rehearsals and concerts

are held at the Oracle Center for the Arts, 700 E. Kingston St., Oracle.

The Chorale’s new Director, Mirae Lee, is a 3rd year DMA student, studying Choral Conducting with Dr. Elizabeth Schauer at the University of Arizona. She is a Graduate Assistant for the University of Arizona Community Chorus, and she has a long list of choral conducting experience for university, church and secular groups.

A Singers’ Social will be held on Thursday, Aug. 26 at 6 p.m. at the Oracle Center for the Arts. Voices in the Oaks will answer any of your questions, and singers can sign

up to sing for the Fall season. Light refreshments will be served.

The Chorale will follow these protocols to minimize the risk of COVID-19 transmission:

- All singers will be fully vaccinated for COVID-19
- All singers will wear a mask during rehearsals

Miners to take on Bearcats in season home opener

By Nathaniel A. Lopez
San Manuel Miner

The San Manuel Miners prepare to make their 2021 football debut on Friday, Aug. 27. The Miners will host the Bearcats for their first game. Returning from a short season last year, with a positive 3-2 record, the team is scheduled to compete

in eight games. “We’re looking pretty good right now,” commented head coach Ernie Ivy. “We had a few setbacks at the beginning, but now things are rolling.” The team is mainly composed of underclassmen with 13 sophomores, 8 juniors, and 4 freshman. Only 5 seniors will take the field this season, two of

whom will be competing in their first year. Coach Ivy also mentioned some notable returning players that will be on the field on Friday. Nicholas Velasquez, sophomore, will be returning to the quarterback position after throwing around 700 yards last season. Methias Medina, junior, was one of the lead tacklers last year. The last player, referred

to as a top-lineman, is sophomore, Aiden Lozoya. “The kids are ready to hit the field,” Coach Ivy concluded. The game has a start time of 7 p.m. at Littau Field. For those not able to show support in person, the game will be viewable via livestream on [nfhsnetwork.com](https://www.nfhsnetwork.com)

Support Local: Jules Salon and Wellness Center

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and

support our local businesses. To date, *Copper Area News* has featured 98 businesses and groups in the Copper Corridor.

It is hard enough starting a business or expanding one during normal times. But to expand one during a pandemic adds an entirely different twist to things.

What started out as a simple hair salon in Oracle has evolved into something so much more.

Jules Salon and Wellness Center is Oracle's answer to a spa. They offer haircuts and colorings, facials, massages, red light therapy, and Cocoon Wellness Pods. The only services not offered are manicures and pedicures.

The Cocoon Wellness Pod at Jules is a weight loss treatment. One to three treatments a week is the planned treatment to help with weight loss. The infrared heat helps with circulation and metabolism.

Julie Riley opened the salon 13 years ago and her daughter, Hannah, has taken over as the manager. The

salon is open Tuesday through Friday, 9 a.m. to 5 p.m., and by appointment only on Saturdays. Jules Salon and Wellness Center is located at 1675 American Avenue in Oracle. You can make an appointment by calling (520) 896-9112.

"We are a natural wellness center for EVERYONE," Julie said. "Our pods inspire a healthy lifestyle and assist with weight-loss goals. Easy active exercises will enhance healthy perspiration to help firm, tone and improve physical fitness all while detoxing the body of impurities and toxins."

But that's not all!

"Our main goal is to improve quality of life in every way possible; if weight management is not what you are looking for, the cocoon has you covered! This wellness system also relieves pain naturally with no side effects, alleviates stress, helps with sleep management and so much more all while you relax in the pod!" said Julie.

Julie Riley has been making Oracle beautiful for the past 13 years.

MASK MANDATE

Continued from page 4

districts from implementing mask requirements is dangerous. The wearing of masks are the most effective tool we have to prevent the spread of COVID-19 beyond the vaccination. Unfortunately, many of our students are not eligible yet to be vaccinated. I feel the Governor's mask mandate restriction is reckless and will lead to more students getting COVID and potentially passing it on to others. In our small community, everyone knows someone that has passed away from COVID and many more that have lasting complications due to the virus. I cannot fathom why the legislature and the Governor created a law that would prevent schools from using the most effective tool we have to help keep students safe and schools open to in-person instruction? I thought that is what we all wanted."

The good news for the district came on Aug. 13, when

a lawsuit filed that challenged the Governor's restriction on mask mandates by Arizona School Board Association and Arizona Education Association. The Judgment of the courts ruled in favor of the plaintiffs and allowed school districts the ability to temporarily issue mask mandates in their schools until Sept. 29. The judge ruled against the Governor's effort to make the law retroactive and go into effect immediately. The litigators also argued against the mask mandate restriction bill being placed onto a budget bill. The litigators believe the mask mandate restriction deserved public debate and discourse, which did not happen.

Hayden-Winkelman Unified School District President Tommy Lagunas said, "I am not a medical expert, but my decision to vote to implement a mask mandate is based on the science and the medical experts. When the CDC and all public health experts and medical associations recommend the wearing of masks for students in schools, maybe we should listen to them, not the politicians. My recommendation and vote to implement mask mandates is about common sense and keeping our children safe. The way I see it is, the Governor's threat to school districts is unfortunate, political and risks the safety of our students, staff, and community."

Editor's Note: While this mandate is for a neighboring school district, in light of the recent temporary closure of the San Manuel Junior High campus due to a COVID-19 positive case, we felt that readers would like to know what other Copper Corridor school districts are doing to mitigate staff and student exposure to COVID-19.

Expect delays, lane restrictions on US 60 near Pinto Creek Aug. 26; extended closure of US 60 tentatively scheduled Sept. 12-17

Motorists on US 60 between Miami and Superior will encounter lane restrictions and delays Thursday, Aug. 26, for the Pinto Creek Bridge replacement project.

Alternating lane closures with flaggers are scheduled from 6 a.m. to 4 p.m.

While delays will generally be limited to 15 minutes, longer delays are possible during peak travel times.

In addition, an extended full closure of US 60 between Miami and Superior is tentatively scheduled from the evening of Sunday, Sept. 12, until noon Friday, Sept. 17, to build final connections and transition traffic onto the new Pinto Creek Bridge.

During that time, all eastbound vehicles will be redirected at State Route 177 in Superior, and westbound vehicles will be redirected at the west end of Miami. Traffic will not be allowed to queue at the closure locations.

Motorists with a destination between SR 177 and Top-of-the-World west of Pinto Creek or between Miami and Pinto Valley Mine Road east of Pinto Creek will be allowed to pass, however no vehicles will be allowed between Top-of-the-World and Pinto Valley Mine Road.

Traffic will be detoured to SR 177 in Superior and SR 77 in Globe. The detour includes a 10% grade and will significantly increase travel time.

Motorists should proceed with caution, slow down, watch for equipment, and follow the directions of flaggers and law enforcement.

More information about the project is available at azdot.gov/PintoCreekBridge.

Schedules are subject to change based on weather and other unforeseen factors. For more information,

please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to azdot.gov/contact and select Projects from the drop-down menu. For real-time highway conditions statewide, visit ADOT’s Traveler

is safe.” It was the first time in my life I wept uncontrollable tears of relief, and let me tell you I wept! When I left the office I was embraced by my brothers in arms and felt the love and support every soldier calls camaraderie and fraternity. Many people have their own stories to tell about that fateful day, but that is mine.

Britain and Russia both tried the invasion method to sway Afghanistan into becoming something it fundamentally is not, each met with similar failures and withdrew.

NOTICE
POWER COST ADJUSTMENT
Pursuant to Section §175.235, Title 25 of the Code of Federal Regulations, notice is hereby given that effective September 1, 2021, the San Carlos Irrigation Project (SCIP) will apply a purchased Power Cost Adjustment (PCA) of **\$0.031/kWh** to each kWh used by customers. In addition to hydro contracts for power from the Western Area Power Authority (Parker-Davis and WAPA – Salt Lake City Area Integrated Projects “SLCA/IP”), SCIP purchases power through short-term bilateral transactions. Recent weather-related events combined with the limited availability of summer energy resources has significantly increased power market rates. Due to this escalation current rates are estimated to under collect over the next 12 months; therefore, SCIP has determined the PCA, last revised in 2007, must be adjusted. This PCA will remain in effect until amended by the Western Regional Director. Please direct questions via e-mail to scipca@bia.gov or mail to San Carlos Irrigation Project, P.O. Box 250, Coolidge, AZ 85128. Approved by: Bryan Bowker Digitally signed by BRYAN BOWKER Date: 2021.07.26 14:42 Western Regional Director Date
